## SQA's Apprenticeship Offer

As an international leader in education and skills SQA has a strong apprenticeship offer.

SQA offer a variety of Vocational qualifications to support apprenticeship delivery. Our qualifications are based upon recognised standards and provide evidence that learners can do their jobs well. Studied in the workplace, in college or with training providers, SQA's vocational qualifications are available in many subject areas with our key sectors being

- Construction
- Creative & Cultural
- Conveyancing
- Maritime

In addition, SQA are an approved End Point Assessment Organisation for the Conveyancing apprenticeship standard.

## SQA's Services Offer

As well as offering a suite of recognised qualifications to support apprenticeships, we utilise our expertise to support organisations such as, government departments, professional / industry bodies and employers with their education & skills needs.

We offer advice, design expertise and delivery capability in a host of key areas including;

- training accreditation,
- qualification design
- assessment design and development,
- assessment delivery
- standards development.

We have over 100 years experience of helping organisations across all sectors reach their potential.
