

# Drinks Reception Sponsor

Friday 1 October

This year, we have a larger exhibition space allowing more people to exhibit, and also allows the opportunity for leading suppliers in the industry to present live demonstrations in our outdoor courtyard area. Our drink sponsorship package offers you branding throughout the exhibition and sparkling wine reception.

## BRANDING

You will have highly visible branding as the sponsor of the sparkling wine reception ahead of the meal and awards. Your brand will be displayed at the bar, throughout the exhibition and as the waiters top up the guests' glasses.

## COVERAGE

You will receive coverage through all of our social media channels, press releases, special event e-newsletter and website.
